SUBJECT: Supervisory Investigation SI 2019-003

**Officers Involved:** School Resource Officer Mark Brackett

**Complainant:** Tammy Johnson  
2678 Trinidad Circle  
Melbourne FL, 32934  
(321)-708-1211

**Complaint:** Ms. Johnson completed a citizen's complaint stating Officer Brackett, the School Resource Officer for Eau Gallie High, has been harassing her son Taveres Salich. The complaint form indicates Officer Brackett has given her son several tickets for parking at the school. The complaint further states "Taveres attends Eau Gallie H.S. on a regular and now is scared to go back to school". "Being my son is a young black male has me afraid of his life due to the harassment from Officer Brackett".

**Complainant Interview:** On April 24<sup>th</sup>, 2019 at approximately 1009 hrs., I made contact with Ms. Johnson, via telephone, and scheduled a meeting time at the Melbourne Police Departments' headquarters for 1100 hrs. on April 25<sup>th</sup>, 2019. Ms. Johnson did not show up for the scheduled meeting.

On April 26<sup>th</sup>, 2019 at 1546 hrs., I called Ms. Johnson and left a message about rescheduling the meeting. Ms. Johnson called me back a short time later and stated she was in contact with an attorney in reference to this case. Ms. Johnson stated her attorney advised her not to talk with

me and that they would be contacting the Melbourne Police Department. I inquired when I should expect them to call to which she stated this afternoon.

On May 3<sup>rd</sup>, 2019 I again called Ms. Johnson and left a message inquiring about her complaint on Officer Brackett. I did not receive a call back.

Due to the complainant not calling me back, the only information available for the complaint against Officer Brackett is what she wrote in the citizen's complaint form.

**Officer Brackett Interview:** On May 7<sup>th</sup>, 2019 I met Officer Brackett at Eau Gallie High School. I explained to Officer Brackett I was conducting a supervisory inquiry into a complaint filed against him concerning Taveres Salich. I asked Officer Brackett if he was familiar with Taveres Salich to which he stated he was. I asked if he ever wrote a parking citation to Taveres at Eau Gallie High School to which he stated "no". I asked if he ever wrote anyone a parking ticket at Eau Gallie High to which he stated "no". I asked Officer Brackett if he has ever written any citations to Taveres to which he stated he has written him three citations for violation of restrictions of his learners permit driver's license.

Officer Brackett stated the J.V Football coach/campus monitor Mr. Barringer told him that Taveres had been driving to school and he did not think he had a driver's license. Brackett conducted a check of Taveres driver's license and discovered he had a learner's permit only. A learner's permit has several restrictions on when a person can operate a motor vehicle (see appendix A). A few days later, Taveres was called to Dean Legates office for an unrelated event. While in the office, Officer Brackett advised Taveres that he had been seen driving on campus without a licensed adult in the front seat which is a violation of his learner's permit. Taveres said to Officer Brackett "go fuck yourself, my shit is straight. Mind your own business". Officer Brackett said he told Taveres that he has to have a 21-year-old, licensed driver in the front seat or he is in violation of his learner's permit and if he sees him driving without one that he was going to give him a ticket.

On February 28<sup>th</sup>, 2019 Officer Brackett was working the bus loop in the morning with Dean Legate when he observed Taveres driving a vehicle with his girlfriend in the front seat and another student in the back seat of the vehicle. Officer Brackett knows both of these students and also knows they are not 21 years of age. This is a violation of a learner's permit. Officer Brackett said Taveres drove within a few feet of him and he could clearly see who was inside the vehicle, especially who was in the front seat of the car.

On February 29<sup>th</sup>, 2019 Officer Brackett met with Taveres in Dean Legates office and issued him a citation for violation of his learner's permit. Officer Brackett also provided Taveres with a copy of the Florida State Statute which explains the rules and regulation for a person with only a learner's driving permit. Officer Brackett stated Taveres was upset but he signed the citation and took the copy of the statute.

On March 5<sup>th</sup>, 2019 Officer Brackett was working the bus loop in the afternoon, again with Dean Legate, when he observed Taveres pull up right by the bus loop, driving a black Mercury. Officer Brackett stated Taveres was not wearing his seatbelt and again did not have a 21-year-old

licensed driver in the vehicle. Officer Brackett stated during this incident, Taveres did not have any other person in the vehicle with him. Officer Brackett stated he approached Taveres and told him that not only was he not supposed to be driving but he also was not wearing his seatbelt. At this point, Taveres flipped Officer Brackett the middle finger and drove out of the parking lot at a high rate of speed. Officer Brackett stated the principal was also present during this incident and said to Brackett "you going to allow him to get away with that?". Officer Brackett told the principal that he would issue Taveres citations the next time he saw him.

On March 6<sup>th</sup>, Officer Brackett was in the hallway when he saw Taveres walking towards him. Officer Brackett stopped Taveres for the violation of the learner's permit for the day before. At this point, Officer Brackett issued Taveres two citations, one for not wearing his seatbelt and the other for violation of his learner's permit. Officer Brackett said Taveres took the citations but then became angry and started yelling at Officer Brackett.

Later that same day, Taveres' father, Mr. Miguel Salich, and step mother came to the school and began to cause a scene at the school over Taveres being issued citations. The Father believed his son had a business purpose only license which allowed him to drive back and forth to school. Officer Brackett explained to Mr. Miguel Salich the laws and regulations on having a learner's permit. Officer Brackett provided Mr. Miguel Salich a copy of the Florida State Statute.

After issuing the second ticket, Officer Brackett observed Taveres driving again, this time his father was in the car but in the back seat, while his friend was in the front seat. The friend is not 21 which is a violation of the learner's permit. Officer Brackett confronted Taveres and explained his father needs to be in the front seat of the vehicle, not the back seat. Officer Brackett did not issue a ticket at this time and only gave Taveres a verbal warning.

On March 26<sup>th</sup>, 2019 Officer Brackett was in the junior parking lot when he again observed Taveres operating a motor vehicle without a 21-year-old licensed driver in the front seat. In the vehicle this time was his friend and girlfriend who are not 21 years old. The next day, Officer Brackett met with Taveres in Dean Legates office where he issued him another citation for violation of learner's permit. For the third time, Officer Brackett gave Taveres a copy of the statute which covers learner's permits. At this point, Taveres became very angry and began yelling and cursing at Officer Brackett. Because of Taveres' behavior, Dean Legate suspended him from school for three days.

I asked Officer Brackett if he has ever purposely sought out Taveres in the attempted to catch him driving a motor vehicle to which Officer Brackett stated no. Officer Brackett advised every time he observed Taveres operating a motor vehicle he was performing a function of the School Resource Officer and just happened to witness him in violation of his learner's permit. When two of the citations were issued, Officer Brackett was working the bus loop and Taveres had driven right by him, the third while patrolling the JV parking lot.

I asked Officer Brackett if any parent had ever approached him, or called him, and accused him of harassing their son to which he stated no. Officer Brackett stated he has never talked to the mom, which is the complainant in this case, but has spoken to dad on a few occasions.

I asked Officer Brackett when was the last time he had spoken to the father which he stated On April 25<sup>th</sup> while in traffic court for two of the citations. I asked Officer Brackett to explain the conversations to which he stated to following?

Officer Brackett stated Mr. Miguel Salich attempted to speak to him in the hallway prior to the court hearing. Mr. Miguel Salich wanted to speak to Officer Brackett to discuss the citations he issued to Taveres. He also said he now understands the limitations on the learner's permit and understood why Taveres was issued the tickets. Officer Brackett said he was not allowed to discuss citations with anyone unless it was in front of the hearing official and they could talk there.

In front of the hearing official, the citations were discussed and Taveres plead guilty to violation of his learner's permit and not wearing his seatbelt. Taveres was issued a fine, required to attend the 8 hour driving class and suspended from obtaining his driver's license until his 18<sup>th</sup> birthday. After the court hearing, Mr. Miguel Salich spoke to Officer Brackett and apologized for not understanding the laws regarding the learner's permit. He also realized Officer Brackett could have issued Taveres other citations for driving but gave him warnings instead and thanked him for that.

**Interview with Dean Legate:** On May 8<sup>th</sup>, 2019 at 1410 hrs. I met with Dean Legate at Eau Gallie High School. I informed Dean Legate a complaint was filed against Officer Brackett concerning the harassment of Taveres Salich. Dean Legate stated the following: She was present the first time Officer Brackett spoke to Taveres in her office about violating the learner's permit by not having a 21-year-old licensed driver in the front seat at all time. Dean Legate said Officer Brackett told him he was in violation and Taveres became angry with Officer Brackett.

Dean Legate said she was also present at the bus loop both times when Taveres was driving a car in violation of the learner's permit. She saw Taveres drive near the bus loop with his friend and girlfriend in the car, neither are 21 years old. The second time, she saw Taveres pull in near the bus loop alone in car. She also saw Officer Brackett walk up to the car and Taveres flip him the middle finger while driving away in a careless manner.

I asked Dean Legate if she has ever seen officer Brackett harassing Taveres to which she stated no. I asked if she had ever seen Officer Brackett seek out Taveres to which she said no. She said she was seen Taveres go out of his way to walk by Officer Brackett and has heard him call him names before. Dean Legate advised at one meeting where Officer Brackett was issuing a citation to Taveres that Taveres was talking so bad to Officer Brackett she suspended him from school for three days. Dean Legate stated she considers Officer Brackett staff and no staff member will be talked to that way.

I asked if she has had any contact with Taveres since the last citation and she said she has not had any involvement since the court date but that Taveres has also stopped driving to school. Dean Legate also stated since the court date Taveres has not had any issues with Officer Brackett and has actually said hi to him a few times.

**Conclusion:** I have completed my investigation and have determined Officer Bracket **did not** commit any policy violations during his investigation of harassment. The complaint specifically states Officer Brackett has issued her son Tavares several parking citations at Eau Gallie High School. Officer Brackett has not issue any parking citations to Taveres at any point during the year. All parking citations written on campus at Eau Gallie High School are written by a civilian campus monitor, not the police department.

I believe the complainant was actually concerned over citations Officer Brackett issued to Taveres for violations of his learner's permit. Officer Brackett has given Taveres at least two verbal warnings and has issued him three citations for violating his learner's permit. He has also provided him three copies of the Florida State Statute concerning the rules and regulations of operating a motor vehicle with a leaner's permit.

Officer Brackett is a School Resource Officer assigned to Eau Gallie High School. Officer Brackett was performing functions of a School Resource Officer when he observed Taveres operating a motor vehicle in violation of his learner's permit. Taveres drove to Eau Gallie High School knowing there was a police officer at the school who had already warned him that he was violating the conditions of a learner's permit by not having a 21-year-old licensed driver in the front seat. There is no evidence that Officer Brackett went out of his way to catch Taveres driving while in violation of his learner's permit and even gave him verbal warnings prior to issuing the citations.

I recommend Officer Mark Brackett be **exonerated** from any policy violations as it pertains to this complaint.
